

WE ARE OPEN FOR TASTING AT OUR ESTATE TASTING ROOM!

We are excited to announce that we are now open at our Estate Tasting Room for wine tasting, in addition to continued curbside pick-up and delivery. Enjoy a tasting flight of your choice while seated al fresco under umbrellas overlooking the vineyard.

Our hours will continue to be 11am-4pm on Saturdays and Sundays.

In order to protect our family and yours, the tasting experience will need to be a little different. We are asking for your help to follow the current regulations so that we can all remain safe, healthy, and open. Please read through the following information to fully understand what we are doing to provide the wonderful Lion Ranch experience you have come to expect.

Please contact us at (408) 713-8501 (call or text) or email us info@lionranch.com if you have further questions.

UPON YOUR VISIT, YOU CAN EXPECT:

- Online reservations are highly recommended – please view more information about what to expect during your visit below.
- All staff will be wearing masks. All guests are required to wear masks when entering our tasting room. We request that all guests wear a mask while being shown to their table. If you forget a mask, simply ask us for one! We have logo masks available for purchase.
- For the safety of all guests, we will be promoting physical distancing between each group of people who are tasting, ensuring a distance of no less than 6 ft. will be maintained at all times.

- We will be disinfecting all surfaces that guests come in contact with utilizing a CDC and EPA-approved disinfectant.
- We will be monitoring our restroom and will be disinfecting it regularly as recommended by Santa Clara County. We require that guests wear their mask when using the restroom.

RESERVATIONS:

- Due to our limited seating capacity, reservations are required, and we urge you to use our online system. This allows for the ease of payment information being securely stored for later use at purchase for contact-less payment.
- Reservations will be available for seatings on Saturday and Sunday from 11am to 4pm. Your seating will be reserved for 60 minutes. The last reservation will be taken 60 minutes prior to 4pm. If you are planning to arrive after your reservation time or are running behind, please call/text us at 408-713-8501.
- To ensure maximum availability, we are requiring a reservation deposit per person. When making your reservation online, you will be asked to select a tasting option that will be pre-purchased.
 - If we have available tables we are happy to welcome walk-ins!
- If you do not have a reservation, and we do not have a place for you, we may ask you to wait in your car for the next available seating or make a reservation for another day.

SEATING:

- Per Santa Clara Public Health and State of California requirements, all customers will enjoy tastings al fresco on our patios under umbrellas. Indoor tastings are currently not allowed under the Public Health variance.
- For the safety of all guests, we will be promoting physical distancing between each group of people who are tasting, ensuring a distance of no less than 6 ft. will be maintained at all times. The tables will be pre-set to promote social distancing, with 10 feet of distance between groups.
 - We are currently accepting groups no larger than 4 people per table.
- The County of Santa Clara has determined groups of up to six people from the same household may enjoy outdoor business, and we have decided to accept groups of 4 at this time.
 - If you have a group of 6, we ask you to please reserve 2 tables and split your party.

WHILE YOU ARE HERE:

- Upon your group's arrival, you will be greeted in front of the tasting room, your reservation verified, and subsequently shown to your seat.
- You will have a choice of tasting menus (see below for more information), and our staff will be checking in with you intermittently-- they can answer any questions you may have before, during, or after your tasting experience.
 - This is a good time to sit back, relax, and enjoy the vineyard views. Please only leave your table if you need to use the restroom or are leaving.
 - We will have a rotating flight option available.
 - Glass pours and on-site bottle purchases will be available.
- As always, you are welcome to bring your own hors d'oeuvres or picnic for the duration of your 60 minute reservation. For sanitary reasons, please plan to take all trash or other picnic items with you off premises.

OTHER UPDATES:

- We love kids and dogs and will remain a family friendly environment. We ask parents to please supervise your children closely, as they must remain seated at the table for the entirety of your reservation. They will need to respect these new regulations in the same way adults do.
- We are happy to continue to offer curbside pick-up and limited local delivery for Lion Ranch wines, just as we have done for the past 4 months since restrictions first started.

TASTING EXPERIENCE:

In order to provide the best experience for all our guests, you will be asked to make a tasting reservation prior to arrival.
